### Cub Master Notes

First I would like to thank all cub scouts and their families for the work on the Homecoming float and participating in the parade. That was one crazy weather pattern! The popcorn sale was wonderful and many thanks to all that participated. Don't forget about the pickup is on Sat the 19 from 9-11. At the Nov. Pack meeting we will have a guest speaker so plan on attending. We are once again planning a community project called "Change their Christmas" which will be Dec 10th Saturday 10-12 with lunch upstairs at Foxes. This event is going around the town of Port and knocking on doors and asking for change to be given to PACS (local food cupboard) Last year we able to give over \$300. Lest see if we can get to a few more houses and help those who need help.

Something new for everyone is a Pack Website where we will post newsletters and other upcoming events. [www.pack561.com](http://www.pack561.com)

### Tiger Tracks...

Just a reminder, a parent is required to attend **ALL** meetings with Tigers. Parents of Tigers are reminded that anything in the Tiger Books that can be done at home can be credited for Beads. Once a section is complete the parent needs to sign the book and then review it with the Leader, who will sign off on the sections as well. So please work on anything that interests you and your son. If you have any, questions please contact your leader. **Please remember to bring your books with you to every meeting. Meetings will be at the Moose Lodge on Tuesdays from 6:00-7:00pm**
